Career Summary

Front-end developer specializing in React.js and Next.js with strong skills in building modern, scalable, and responsive web applications. Solid background in JavaScript, TypeScript, and state management, along with experience in styling libraries like Tailwind CSS and MUI. Completed a full-stack MEAN e-commerce project as part of NTI training, with additional projects built using React. Passionate about clean code, user-centered design, and continuous learning.

Technical Skills

- Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3, Sass (SCSS)
- Frontend: React.js, Next.js, Angular, Bootstrap, Tailwind CSS, MUI, PrimeNG
- State Management: Redux, Context API, React Router, Hooks
- Backend: Node.js, Express.js, MongoDB, Mongoose, JWT, REST APIs, Firebase
- Tools: Git, GitHub, npm, Postman, Angular CLI, Firebase CLI
- Testing: Jasmine, Karma, Chrome DevTools
- Soft Skills: Problem-solving, UI/UX Awareness, Teamwork, Communication

Projects

- Graduation Project – E-Commerce Website (MEAN Stack)

Built a complete e-commerce platform using Angular, Node.js, Express, and MongoDB. Features include authentication (JWT), product listings, cart system, admin panel, and mobile-first design.

- Mini E-Commerce Store (React)

Frontend store using React with product filtering, cart functionality, and responsive design.

- Netflix Clone (React)

Replicated Netflix UI with React, featuring API data fetching, routing, and component structuring.

- Dashboard App (React + Chart.js)

Interactive admin dashboard with dynamic charts, tables, and filters for managing user and sales data.

- Weather App (JavaScript)

Simple weather forecast app using OpenWeatherMap API with clean and responsive UI.

- The Web Father (CSS Showcase)

Creative web design project highlighting advanced CSS animations and layout techniques.

Certifications

- MEAN Stack Web Development Track, National Telecommunication Institute (NTI) — 2024
- Front-End Web Developer Nanodegree, Udacity — Sep 2022
- Web Development Challenger Track, Udacity — Jul 2022

Education

Bachelor of Commerce, Cairo University — 2024
